

## **CAMP CLARK**

Camp Clark is a 200 acre tract. This area is divided into 6 campsites and 4 skill sites, which are restricted to organized groups who maintain their own insurance such as Boy Scouts, Girl Scouts, Explorers and other Youth Groups for tent camping. Groups must be self-supporting in regards to camping equipment, transportation and rations. Standing nose cones are on a first-come, first-serve basis. This is a “Leave No Trace” Camp. All minors will require adult supervision on a 1-10 ratio.

1. Boating: Hearn’s Pond located within Camp Clark is an excellent site for boating. Boats are available through the Community Activity Center, Fort A.P. Hill, at 804-633-8219. You can bring your own boat or canoe. Personal floatation devices are required for each individual.
2. Fishing: Age 15 and under require adult supervision. This adult must also possess a VA State Fishing License and a Fort A.P. Hill Fishing License. Age 16 and up require a VA State License and a Fort A.P. Hill License. Licenses are available from Game Check at 804-633-8244.
3. Swimming: Swimming is not authorized.
4. Hiking: Hiking/Biking can be conducted within the Camp boundaries. Helmets are required. Safety Vests/Waist Bands will be required when Hiking/Biking outside the Camp boundaries. These activities must be coordinated with and approved by Director, DPTMS at 804-633-8333.
5. Water: There is no drinking water at the campsite. Small groups need to bring their own water and/or water containers. Water draw point will be at Rodes Camp for each season except Winter. Winter draw point is Wilcox Camp.
6. Latrines: This is a wilderness camp. There is one Field Latrine (8 holer). One latrine per 35 people or 280 people before extra latrines need to be secured by your group.

7. Campsite Fires: Fires are permitted with permission of the Fort A.P. Hill Fire Dept. upon arrival. Phone is 804-633-8317.
8. The area must be policed and all trash placed in dumpster.
9. Do's and Don'ts: If you build a survival shelter, it is your responsibility to knock it down and return the area as you found it. Do not cut live trees. There is plenty of dead wood around and you could even stack some firewood for the next camper. All fires must be put out correctly. Do not climb on the nose cones.
10. Medical Emergencies:
  - a. Each group must possess a CPR qualified individual and emergency medical kit.
  - b. An emergency phone on the pole next to the road for 911 calls or call 804-633-8911 with your cell phone.

The Health Clinic is not allowed to treat minors (under 18 years of age) who are not dependents of active or retired military personnel unless it is for a life-threatening situation. The clinic may provide routine treatment to active or retired military personnel. The nearest medical facility is Mary Washington Hospital in Fredericksburg, VA, approx. 27 miles north. Directions to Mary Washington Hospital: From the North Front Gate of A.P. Hill turn right on to 301. Turn right on Broadus. Turn right on Route 2. Turn left on Route 17. Turn right on Route 1 and the hospital will be approximately 5 miles on your left.

11. Tents: You may choose which campsite to use. However, each of the 6 campsites has a maximum occupancy level (see Annex B of Camp Clark SOP posted on Fort A.P. Hill web site). Tents must be flame resistant and meet the requirements of National Fire Protection Association 701. Tents

not exceeding 1200 square feet in ground area shall not be required to be separate from each other provided safety precautions have been taken to prevent fire in each. There shall be no smoking inside any tent or fabric structure. No combustible liquids (gasoline, kerosene) shall be stored inside any tent or fabric structure.
